GEO Exploration Limited

("GEO " or the "Company")

Exploration Licence Granted at Juno Project

GEO Exploration Limited (LSE AIM: GEO) is pleased to announce that Exploration Licence E08/3792 has been granted to its wholly owned subsidiary Juno Gold Limited by the Department of Energy, Mines, Industry Regulation and Safety (DEMIRS) in Western Australia. E08/3792 forms the northern parts of the Juno project located in central Western Australia where the company is conducting exploration and has recently completed its maiden drill programme for large Intrusion Related Gold Systems (IRGS).

The Juno project currently comprises four licences (Figure 1) covering a total of 644 square kilometres. Total granted tenure at Juno now increases from 450 square kilometres to 644 square kilometres with the addition of Exploration Licence E08/3792. Exploration Licence E08/3792 contains potential exploration targets which share geophysical similarities to the primary target within Exploration Licence E08/3497.
