Capital Access Window – Trading Halt

GEO Exploration Limited (AIM: GEO) announces that, following the recent amendments to the AIM Rules for Companies, the Company intends to utilise the newly introduced Capital Access Window.

The Capital Access Window provides AIM companies with a mechanism to implement a voluntary, temporary pause in trading in their securities in connection with a capital raising.

Accordingly, trading in the Company's ordinary shares will enter a Capital Access Window with effect from 7.30 a.m. today, pending an announcement regarding a capital raising.

The Company will provide further announcements as appropriate.

The information contained within this announcement is deemed by the Company to constitute inside information under the UK Market Abuse Regulations ("MAR"). Upon the publication of this announcement via a Regulatory Information Service ("RIS"), this inside information is now considered to be in the public domain.
